Safest | Strongest | Most Flexible

## Lead-in Rubber Water Hose

### Connects water hose reel to the compressor.

- Absorbs the shock loads produced by water out let
- 40% lighter than standard rubber water hoses
- Chrome plated solid brass fittings superior than aircraft aluminium
- High strength polyester braided reinforcement
- Maintains integrity under extreme weather conditions
- Ozone resistant | Abrasion resistant | Kink Resistant
- 4 finger grip bend restrictor for better use & easier control over the hose.

Blubird Technology has revolutionized how a rubber water hose is made. Traditionally made rubber water hoses are stiff and heavy. Made from 100% rubber, our BluSeal hose is the lightest, strongest, most flexible rubber hose ever made. Primarily made for the lawn & garden market the BluSeal hose can also be used anywhere where hot water is used.

#### Water Hose Flow

Hose I.D.	GPM @ 65 PSI	GPM @ 35 PSI
5/8"	11.90	10.30
3/4"	17.10	10.90
1"	24.70	19.80

**500** PSI Burst Pressure

Flexibility in extreme conditions from -50°F to +190°F

Handles Hot Water upto 212°F
