### Hose Features

- Solid Brass fittings that are superior to aircraft aluminum fittings.
- Ozone & UV resistance provides protection from weather
- Flexibility in conditions from -10°F to +130°F
- High strength polyester braided reinforcement
- Oil Resistant Cover
- 300 PSI working pressure
- 4:1 Safety factor
- 4 finger bend restrictor protects the ends of the fittings and provides better use and control over the hose.

The Avagard Air accessory kit contains many of the air compressor fittings and hose you will need in one reusable storage bag. This kit is perfect for use around your home or anywhere where you need to fill tires or other items requiring air and also your air tools. The storage bag allows your fittings to be readily available quickly.
