Hose Features

- 40% Lighter than traditional rubber hoses
- 100% Rubber Construction
- High strength polyester woven braided reinforcement
- Maintains integrity under extreme weather conditions
- Ozone resistant
- Abrasion resistant
- Kink Resistant
- Solid brass fittings that are superior to aircraft aluminum fittings
- 4 Finger grip bend restrictor protects the ends of the fittings and provides better use and control over the hose.

The BluBird Air Accessory kit contains many of the most common air compressor fittings and hose you will need in one reusable storage bag. The kit is perfect to have in your garage, cabin or truck. The storage bag keeps all of the fittings and the hose readily accessible.

Flexibility in extreme conditions from -50°F to +190°F
